

# Twinkie Song

(to the tone of: Doe, a deer, a female deer. Ray, a drop of golden sun)

Dough - the stuff they put in twinkies

Ray - the guy who buys me twinkies

Me - The guy Ray buys twinkies for

Fah - a long, long way from twinkies

So - I think I'll have a twinkie

La - La la la la twinkie

Tea - no thanks I'll have a twinkie

And that brings us back to dough

Twinkie, twinkie, twinkie, DOUGH
