State Convention

**Hypnotist Permission Form**

**On Friday, March 9, 2019, hypnotist, Keith Haddrill will be performing at the Missouri Student Council State Convention.**

**Below is a message from Keith describing the show and volunteers:**

I typically take 15 to 20 volunteers depending on safe stage space. Not all initial volunteers will be kept for the show. It is possible that members of the audience will go into hypnosis during Keith's induction. Keith makes it a point to tell the audience to let him know if and when people near them go into hypnosis. Those people may become participants in the show (if they are cleared to do so), or Keith may bring them back to consciousness. Either way, Keith will make sure everyone is cared for and safe.

- Volunteers may lean onto the volunteers next to them. In hypnosis, they lean on each other because they are so completely relaxed. They have no ulterior motives. Keith makes sure any physical contact between volunteers is family appropriate. If a volunteer does not feel comfortable leaning on someone else, they will not lean.
- Volunteers will walk amongst the audience and / or around the stage. Keith makes every effort to make sure all volunteer movement is done safely.
- All suggestions and all skits within the show are family friendly and respectfully done. Funny without humiliation or embarrassment.
- Keith mastered his "Safe on Stage" Certification.
- Keith has done thousands of shows over the last 29 years without injury or mishap.
- Volunteers are in complete control at all times.

I hereby give permission for \_\_\_\_\_, to volunteer for hypnosis demonstration by Keith Haddrill at Missouri Student Council Convention.
